Susan Kovalik & Associates:
Providers of premier professional development for over 30 years.

Join us as we bridge the connection between the American Recovery and Reinvestment Act of 2009 (ARRA) and the power of the *Highly Effective Teaching (HET) Model*

Use Effective 1st Teaching for all students

Increase long term educator's capacity through understanding how the brain learns

Accelerate reform with consistency and continuity of the HET Model

Improve productivity by using your funds wisely

Use brain compatible formative assessment to track student progress

We look forward to your participation in the Schools Exceeding Expectations Conference!
